SUB: FEED BACK of WORK PERFORMED by IMPART DE EA S8 PTE LTD

We have worked with IMPART DE EA S8 PTE LTD for tendering stage design consultancy of 400/132/33kV Substations for super thermal power stations. We are impressed with the domain knowledge of team IMPART and their innovative IDEAS for optimization of Project schedule planning and technology selection for implementation of works. We recommend IMPART for end-to-end Solution for any green or brown field Grid project.

ERA group surely utilized the support of IMPART in future for relevant projects.

Keep it up.

Best Regards

(A.K.M Tuhin Ur Rahman)
